

# Plant Growth Biology and Modeling workshop

Covering the latest advances in the biology,  
modeling and automated phenotyping of  
leaf and root development

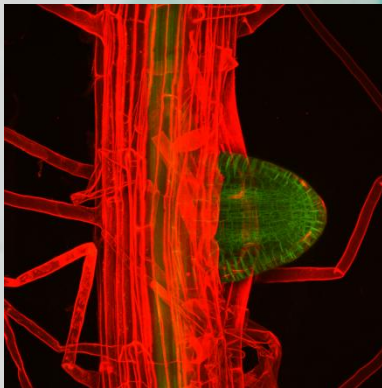

www.agron-omics.eu

The Centre for Plant Integrative Biology

www.cpiib.info

October 14-16, 2009  
Elche (Spain)

## Speakers

**Tobias Baskin** University of Massachusetts (USA)  
**Malcolm Bennett** CPIB (UK)  
**Thomas Berleth** Toronto University (Canada)  
**Enrico Coen** John Innes Centre (UK)  
**Yuval Eshed** Weizmann Institute of Science (Israel)  
**Mark Estelle** University of California, San Diego (USA)  
**Christine Granier** INRA Montpellier (France)  
**Robert Last** Michigan State University (USA)  
**Timothy Nelson** Yale University (USA)  
**Uli Schurr** Research Centre Jülich (Germany)  
**Miltos Tsiantis** University of Oxford (UK)  
**Hirokazu Tsukaya** Tokyo University (Japan)

### Scientific Committee

José Luis Micol (UMH, Elche, Spain), Malcolm Bennett and Charlie Hodgman (CPIB, Nottingham, UK), Pierre Hilson and Chiara Consonni (VIB, Ghent, Belgium), Christine Granier (INRA, Montpellier, France)

### Local organising Committee

José Luis Micol, María Rosa Ponce, José Manuel Pérez-Pérez, Héctor Candela, Silvia Rubio-Díaz, Rafael Muñoz-Viana (UMH, Elche, Spain)

### Registration

Flanders Institute for Biotechnology (Vlaams Instituut voor Biotechnologie)

<http://www.agron-omics.eu/index.php/workshop>

Deadline for registration and abstract submission: September 1, 2009

### Sponsored by
